LUSCIOUS... Milt Isbell samples one of the delicious ginger-snaps prepared by Alice Hill of Gary's Jewelers. Housewives will have a "Bake 'n Take" party today at Liberty Home Appliance co., 1326 Sartori. They'll be able to take the baked goods home with them—the mix is provided free.

Local Store Holds Bake 'n Take Party

Gingersnaps for the whole family will be baked in Torrance today, Thursday as Norge appliance dealer Milt Isbell, holds a "Bake 'n Take" party at the Liberty Home Appliance company, 1326 Sartori avenue.

Housewives do not have to bring their own gingerbread mix either—the store supplies it.

All Torrance area housewives are invited to try their baking prowess using prepared mix on the new Norge 1955 ranges with the spacious ovens, Isbell said.

Once baked, the cookies will be gathered in gaily decorated paper bags supplied by the store for carrying home.

Today's party was announced by Isbell, proprietor of Liberty Home Appliance. The party will be held from 10 a.m. until 12 noon and again from 2 p.m. until 5 p.m.
